00:00 You're listening to the My Simplified Life podcast and this is episode number 214.

00:07 Welcome to the My Simplified Life podcast, a place where you will learn that your past and even your present don't define your future. Regardless of what stage of life you're in, I want you to feel inspired and encouraged to pursue your dreams, simplify your life, and start taking action today. I'm your host, Michelle Glogovac, and I'm excited to share my stories and life lessons with you while taking you on my own journey. This is my Simplified Life.

00:38 Hey friends, welcome back to another episode, a special episode. I'm your host, Michelle Glogovac, and today I know I'm coming at you on a Wednesday. It is rare, and we just had another episode go live yesterday. We'll have one on Tuesday, but today it's a special one because it is my launch day of how to get on podcasts. I'm recording this early, so it feels very weird, but I have the biggest smile on my face

01:08 that this day is here. How to Get on Podcasts is not only available online, but now you can go into bookstores and actually hold it in your hands and purchase it and see me, have me sign your book. It's mind blowing because I dreamt about this, but I didn't see the day actually coming. It's like when you plan a wedding for months and months and months.

01:38 And then all of a sudden, poof, there's the day. And then the next day you wake up and it happened and it took all of those months of planning and yet it was done in a matter of hours. And so here I am, I have put in years, years of work to create this book that is now out for all of you to get. It is, I know for many of you arriving at your houses today if you purchased it before and...

02:07 I'm just, I'm in absolute awe. I don't know what I'm going to do with myself today. Hopefully there's some champagne that will be popping and we will see if I'm signing some books at a bookstore. But later this week, I will be heading to New York. I will be going to Barnes and Noble on Fifth and signing books there, which is just crazy to me. I have some more signings coming up. It's all on my website, mich

02:37 I hope to see so many of you. I would love to meet everyone in person. I would love to talk to you on your podcast to talk about this incredible journey of getting here today. And I just wanna say thank you. Thank you for listening. Thank you for following. Thank you for subscribing. Thank you for all of the support and encouragement. And just thank you. I don't know that I can...

03:05 put into words how grateful I am to know that there are people who are listening, to know that people have spent their hard earned money on a book that I wrote because you trust that I'm going to give you all of the tools and the knowledge that I have. It's, it's mind blowing to me

and I am so grateful and absolutely humbled. I don't say that or take it lightly. I truly am thankful to you.

03:36 I won't make this a long episode, I just wanted to say thank you and to celebrate with each and every one of you to have this day come. Thank you. It leaves me speechless. So hopefully someday if I win a Grammy or an Oscar for something, I'll have more words to say than simply thank you. But I am so grateful and I truly hope and pray that in the acknowledgement section of the book, I didn't leave anyone out.

04:04 I went back and forth writing it and rewriting it and adding so many times. So a huge thank you to so many people, especially my family, who stood by me and encouraged me and were quiet when I needed the quiet and would hold on in the doorway when I had a thought going or when I needed an extra hour to finish writing whatever I was writing. I have no other words, but thank you.

04:33 How to Get on Podcasts is available everywhere you buy books now. The audio book will be coming out in the next couple of months and I'll keep you up to date on that. And in about three months or so, the book will be available internationally. So I will also be keeping you posted on all of those things because I would love to.

04:56 Meet each and every one of you, answer any questions you have while you're reading it along the way. And I wanna hear the successes you have in the podcast interviews that you book. And to see all the places that you go to listen to those interviews, please, please share them with me. I wanna celebrate you so very much. Thank you all, each and every one of you for being on this journey with me.

05:22 and for making How to Get on Podcast such a huge success. I truly appreciate each and every one of you.
